

2010 Arrow/Mygale Search For A Motorsport Star

Arrow Racing Karts and Mygale Australia are offering a lucky Arrow Kart driver the chance to win a fully funded race in a Mygale Formula Ford, plus a few test days to ensure you're on the pace!

After the fantastic success of the 2009 Arrow Rewards Program which included a Formula Ford test day with Mygale Australia, the collaboration between the two leading Australian motorsport organizations has taken the 2010 version to an entirely new level. A lucky Arrow driver will win the chance to race aboard a Mygale car in a round of the Victorian Formula Ford State Series and gain valuable experience by participating in at least two test days before the event. This fantastic prize is available to all Arrow drivers that meet the required age minimum to compete in the Victorian Formula Ford State Series. The winner will be chosen after careful consideration against a number of important motorsport criteria to be judged in cooperation by Arrow Racing Karts and Mygale Australia.

To be eligible for this amazing opportunity please fill out the 2010 Motorsport Star Search application form, which can be found at www.arrowkarts.com or at your local Arrow dealer, and return it to Arrow Racing Karts via email at sales@dpeng.com.au or fax to 1800 670 735. All applicants will be carefully monitored over the course of the 2010 racing season. **Don't miss out on a chance of a lifetime, enter today!**

With a number of Australian motorsport superstars starting out with an Arrow Racing Kart, will you be the next Arrow driver to lead the way?
